*Sleek, Solid Wood Construction in Light Ash and Graphite Finishes Provides
Sophisticated Styling to Enhance Luxury Bathroom Suite*

ORLANDO, KITCHEN & BATH INDUSTRY SHOW (January 10, 2017) — Luxury brand DXV, a division of LIXIL Americas, augments its modern design-inspired Lowell bath fixture collection with a unique offering of wood console sink stands that are highlighted with chic leather accents.

Juxtaposing artful lines and flowing forms against geometric shapes, these sleek console sink stands offer a tasteful alternative to traditional pedestal sinks in master baths and powder rooms. The natural materials of the solid wood Lowell console legs provide an elegant contrast to the cool, clean lines of the Lowell sink and its conveniently-located front towel bar in polished chrome.
