

Stylish DXV Wyatt Two-Piece, High-Performance Toilet Ideal for Hospitality and Residential Settings

Sophisticated Styling Combines with Exclusive VorMax Flushing Platform to Deliver Unmatched Bowl Cleaning at Attractive Pricing for Specifiers

PISCATAWAY, N.J. (September 12, 2018) — Luxury kitchen and bathroom brand DXV, part of LIXIL, expands its elegant Wyatt bath fixture collection with a two-piece, high-efficiency VorMax toilet.

A celebration of the architectural style of neoclassical design, the [Wyatt toilet](#) highlights a sculptural confidence that is designed to complement the existing Wyatt collection and is well-suited for upscale hospitality settings.

The Wyatt two-piece elongated toilet leverages the innovative [VorMax flushing system](#), which has been independently verified to clean the bowl two times better than conventional toilets*. It uses only 1.28 gallons per flush (gpf) to powerfully scour every square inch of the bowl, even the hard-to-reach spots under the rim.

This WaterSense-certified, high-efficiency toilet is offered in canvas white, with the trip lever available in polished chrome, brushed nickel or polished nickel. The choice of right or left-hand configurations provides ADA-compliance.

The Wyatt two-piece toilet is available at kitchen and bath showrooms nationwide. List price is \$625. To learn more, visit dxv.com or call (800) 227-2734.

*Source: Test Report No. 109-141486-002, comparing VorMax against conventional under-the-rim-water-dispersal toilets from major retailers.
