

New Sophisticated Fitzgerald Faucets and Accessories from DXV Expand Golden Era-Inspired Bath Portfolio

Distinguished by classically elegant lines, the [Fitzgerald Bath Collection](#) from DXV, part of LIXIL, expands with new transitional bath and shower faucets along with accessories to offer a complete master bath design solution.

While paying homage to the sophistication and timeless style of the Golden Era, the Fitzgerald faucets, fixtures and accessories feature stately architectural elements interwoven throughout the collection. The new faucets also showcase luxurious, faceted styling, providing a unique, updated perspective on a traditional design.

The Fitzgerald Faucet Collection includes single lever, widespread, vessel and wall-mounted lavatory faucet models; shower trim; and tub fillers in freestanding, deck-mount and wall-mounted options. Designed to coordinate with any bath decor, the faucets are available in a choice of three attractive finishes including polished chrome, brushed nickel and polished nickel. The accessories bring stylized refinement to the powder room and master bath.

The Fitzgerald Bath Collection from DXV is available through an exclusive network of showrooms across North America. To learn more, visit DXV.com.
